Maintenance-Radtke reported on the electrical upgrades are complete to the hanger and park.

Security light at east end of the ballfield has been installed

Replace one shed between the back field and front field

Tramps-Radtke moved to recommended in Oct to extend for 10 years and twp board will see it in January, supported by Leedy. Motion carries.

Playground Mats are partially installed, a volunteer group will assist our maintenance staff in installation

Programming-

Introductions of Parks Director Jim Pierce

Adult Softball Programing will start in January

Tentatively Thursday nights will be co-ed but we will see what the interest is.

Pierce will be meeting with umpires for potential leagues. He explained the certification for umpires.

Flyers will be ready in late January. Leedy will work with Pierce on that.

Park Improvements-

Radtke moved to approve submitting ballfield improvement grant supported by McElyea Roll Call-Radtke-Y, Leedy-Y, McElyea-Y, Pierce-Y. Unanimously carries.

McElyea moved passport grant for memorial park bathrooms, supported by Radtke.

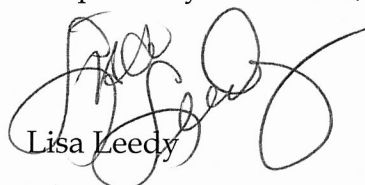

Roll Call- Leedy-Y, Radtke-Y, McElyea-Y, Pierce-Y. Unanimously carries.

Radtke inquired interest in developing new, low-impact parklands in Green Lake Township.

Consensus was in favor of moving forward on opportunities for new park areas in the township based on our parks master plan and township master plan, should those opportunities present themselves.

Adjourned at 4:21pm

Respectfully Submitted,

Lisa Leedy
